

Dusty Rose Saloon

(G. Ruiz)

All along the days
You work like crazy
Try to find some ways
To get your money.
You're tired of the faces
Customers and chiefs
You dream of a place
Where you can have peace
Where you can have peace.

If you want to feel free
Forget all your worries
One thing I propose You,
Go, go, to "Dusty Rose". (bis)

This is a nice place
Wide open to bands
The entry not need to pay
Come on with your friends.
Take the Road 193

A place where you have to be
You can dance the country
With Esther and company. (bis)

If you want to feel free
Forget all your worries
One thing I propose You,
Go, go, to "Dusty Rose". (bis)

You can have a drink
And a bite to eat
You can also meet
Alan and Stephanie.
Every Friday night
And Saturday night
Sure you'll be back soon
In the Dusty Rose Saloon. (bis)

If you want to feel free
Forget all your worries
One thing I propose You ?
Go, go, to "Dusty Rose". (bis)
